Subject: 2023 Annual MNC Confirmation and Validation of Usage

The Canadian Numbering Administrator (CNA), as the Canadian International Mobile Subscription Identity (IMSI) Administrator, is requesting that all Mobile Network Code (MNC) holders submit inputs as part of the Annual MNC Confirmation and Validation of Usage process.

In accordance with the *Canadian International Mobile Subscription Identity (IMSI) Assignment Guideline Version 6.0* dated 6 July 2022, all MNC Assignees must provide the IMSI Administrator with a completed “Form D – Mobile Network Code (MNC) Confirmation of Usage” to validate:

- a) They are still using their MNC assignment(s); and
- b) The MNC Assignee still exists and has a Service User Agreement (SUA) in good standing.

MNC holders shall complete the “Form D – Mobile Network Code (MNC) Confirmation of Usage”, detailing code holder information, entity contact information, a list of the assigned MNCs (in numerical order) and indicating if they are in use. Completed forms should be emailed by Authorized Representatives to NonCOCodeApps@cnac.ca.

Should you have any questions or concerns regarding the MNC Confirmation of Usage forms, please contact the CNA staff by email to NonCOCodeApps@cnac.ca.

The MNC Confirmation of Usage forms are to be returned to the CNA by **24 November 2023**.
