### **General:**

Action Item: RPC Secretary will forward the NPA 226/519 RPC Final NITF and CATF Progress Reports to CRTC staff for consideration.

Lucie Pugliese asked if there was any timeline available for the upcoming NPA 709.

Fiona Clegg noted that there is a face-to-face meeting schedule for NPA 709 on 20-22 September 2016 and the IPD should be made available around the beginning of August.

Laurie Bowie noted that Bell Canada is planning to submit both a draft Planning Document and draft Relief Implementation Plan for the face-to-face meeting.

Lucie Pugliese asked if the RPCs for 709 and 506 would be running at the same time. The consensus was that they would not as the timelines would be too different.

Fiona Clegg noted that there is a date for networks to have their test numbers returned to the CNA.
